For Dispense and Assembly

MRSI Expands Customer Support Organization

Many New Faces Join Our Existing Dedicated Team

To meet the demand of our rapidly expanding business, MRSI has been building up our customer support organization that is managed by Peter Cronin. Cronin states that "these experienced engineers have all worked for many years in the die bonding and dispense field and bring a wealth of knowledge and experience." In addition to our existing staff these new engineers are here to assist you with that extra level of support.

Please welcome Nan (Johnny) Lin in China, Mohd Rizal Ab Rahman in Malaysia, Florante Ferrer, Anthony Orbacedo & Ali Santillan in the Philippines and Jack Inocenzio and John Hayes at the Billerica headquarters.

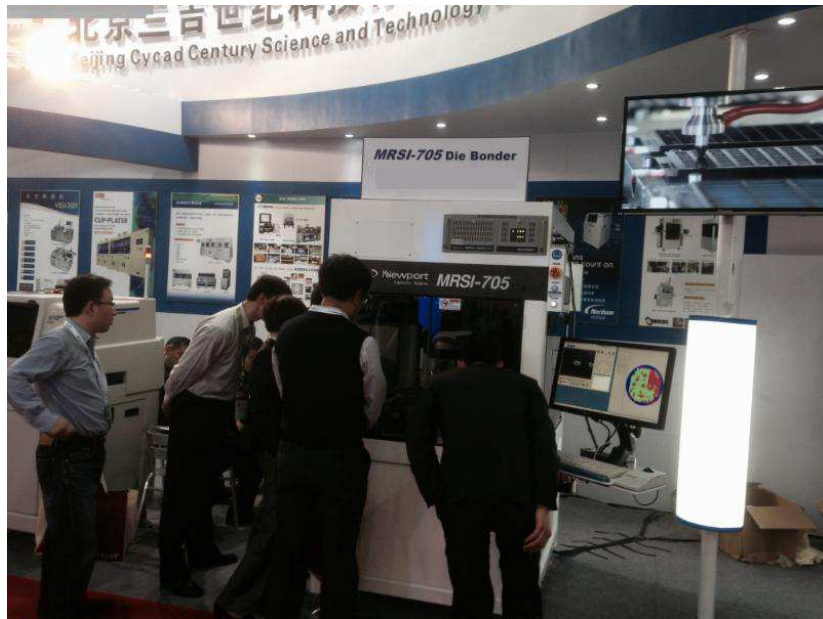

Join us at Semicon China & OFC

We hope to see you at the trade show!

We have a full trade show schedule in 2015. We are preparing for the Optical Fiber Conference (OFC) in Los Angeles and Semicon China in Shanghai. If you attend, we look forward to seeing you.

You are always welcome to come visit us at our Billerica factory. Contact us with your dispensing and assembly challenges. Chances are we have already solved them!

MRSI - M3
Assembly Work Cell

MRSI - M5
Assembly Work Cell

MRSI-705
Assembly Work Cell

MRSI-175Ag
Epoxy Dispenser
